

## a unique hotel... even by London boutique standards

Welcome to the heart of London's west end theatre-land.....

The Shaftesbury has been fully refurbished as a boutique hotel complete with the luxurious features that our clientele demanded. Each new room has been lovingly graced with the comfort of mood lighting, a personal computer complete with broadband access, bathroom televisions, bathrobes, and more.

Combined with comfortably sized public areas, our refreshment lounge, the Premier bar, restaurants, conference facilities, & fitness room, the Shaftesbury provides the haven in central London for both the London traveller and business persons.

### Bedroom Features

Each room has been newly refurbished with the emphasis on comfort and relaxation. Furnishings are stylish but discreet. Beds are King-size (except twin rooms) with purpose-built reading lamps and oversized smooth headboards.

All rooms have a PC with broadband internet access as standard. Rooms also come equipped with DVD/ CD player, bathroom television (in most rooms), bath-robes, and many more luxury features.
